"Peterson's College Guide for Visual Arts Majors" helps students find the perfect college program for studying fine arts, graphic design, architecture, media arts, or any of the many other art disciplines." "The comprehensive profiles detail hundreds of

professional baccalaureate and graduate degree programs, with the most current information on costs, deadlines, enrollment, faculty, financial aid, and more. Added features include a wealth of insight and information from college deans, admissions directors, and professors; current art students; and industry professionals, as well as in-depth advice on putting together a winning portfolio." "
