Sworn to support King Edward, Sir Alex de Beaumont had to leave his new bride on their wedding night to fight in the Crusades. Captured and left to languish in a lonely prison, the warrior knight is kept alive by the memory of love - and of Lady Katherine's innocent passion as she cried out his name in ecstasy and made him her own. Upon his escape and return to England, he is shocked to find his beloved is about to marry another man...Kat refuses to forgive him. But Alex will not be gainsaid. He vows to seduce her all over again and his searching kisses reawaken the sensual fire they once knew - until an enemy determined to destroy them both closes in. Now Alex must risk everything for the one woman whose love he wants forever...
