"As long as you're living under my roof"-made simple...

Census figures say about half those aged 18 to 24 live at home, with 65% of college graduates returning. This guide helps parents and their adult children deal with living together again by: helping young adults set goals for independence; determine boundaries; talk about dating, and more.

- Only book on the topic
- Open nesting trend alive and well-especially with the advent of the economic downturn
- Focused on the interests and concerns of both the parents and the adult children
