The story of a young heiress's initiation into the dark society of the Chicagoland Vampires continues... Ten months after vampires revealed their existence to the mortals of Chicago, they're enjoying a celebrity status usually reserved for the Hollywood elite. But should people learn about the Raves-mass feeding parties where vampires round up humans like cattle-the citizens will start sharpening their stakes. So now it's up to the new vampire Merit to reconnect with her upper class family and act as liaison between humans and bloodsuckers, and keep the more unsavory aspects of the vampire lifestyle out of the media. But someone doesn't want peace between them-someone with an ancient grudge...
