As an orphan, Tristan never dreamed he would travel the world or discover the truth about his past. But all that changes when the Knights Templar ride through the abbey on their way to battle. Suddenly, Tristan finds himself as a squire to one of the most respected knights. While exciting, it is also dangerous, as Tristan gets caught between rival knights desperate for power and entrusted with the most sacred relic—the Holy Grail. With the help of a young archer and a deadly warrior, can Tristan safely bring the Holy Grail back to England? Or will he succumb to the dangers of the evil men who follow in its wake?
