An unlikely trio heads south for the winter. Moose loves the Great North Woods because they are nice and cold, his buddy Bear lives there, and the pancakes are top-notch. He doesn't usually go south for the winter, but with Bear off hibernating and the Pancake Hut closing until spring, he figures he might as well take the great schlep with Duck and Other Duck. The trio ends up in the exotic land of Florida and Moose is forever dazzled. Dave Horowitz brings to life the joy of discovering a place completely unlike home as well as the thrills of bringing a little bit of vacation back home with you.
