A gorgeous reimagining of the beloved Christmas poem, set in Africa Since Clement Clarke Moore penned this Christmas classic in 1825, it has been beloved by children

around the world. Now, Caldecott Honor winner Rachel Isadora sets the poem in Africa, capturing the anticipation and excitement of Christmas in her stunning collages. Children will pore over the enchanting artwork—brimming with special touches like traditional African toys and a Santa who sports dreadlocks—as they chime along with the familiar rhyming text.
