Mary Oliver, winner of the Pulitzer Prize and National Book Award, is one of the most celebrated poets in America. Her partner Molly Malone Cook, who died in 2005, was a photographer and pioneer gallery owner. Intertwining Oliver's prose with Cook's photographs, *Our World* is an intimate testament to their life together. The poet's moving text captures not only the unique qualities of her partner's work, but the very texture of their shared world.
