"Exactly the sort of grisly, gross and hilarious stuff that kids will love!" - Eoin Colfer

When Luke Watson turns into a werewolf for the third time, the Government Housing of Unusual Lifeforms (G.H.O.U.L.) moves his family to Scream Street — a frightful community of vampires, zombies, witches, and sundry undead. Though Luke quickly makes friends, he vows to find a way to take his terrified parents home. The secret to opening the exit, he learns, is collecting six powerful relics the founding fathers left behind. But with a sinister landlord determined to thwart Luke at every turn, will he even get past the first hurdle alive?
