Collector Books is proud to present the tenth and final edition of Cathy and Gene Florence's Collectible Glassware from the 40s, 50s, 60s. Covering collectible glassware made after the Depression era, this is the only book available that deals exclusively

with the handmade and mass-produced glassware from this period. For over 20 years, Cathy and Gene Florence have produced a book on this glassware. Each pattern is alphabetically listed, all known pieces in each pattern are described and priced, and gorgeous color photographs showcase both common and very rare pieces. Once again all the pieces in the photographs are identified and cross-referenced with their listings. The Florences' descriptive text offers insight into and evaluations of each pattern's history, popularity, and value on today's exciting collectibles market.
