Set against the spellbinding backdrop of 1920s New Orleans at the height of the jazz era, Disney's animated feature film *The Princess and the Frog* tells the story of Tiana, a

smart girl with big dreams of owning her own restaurant. But when Tiana meets the spoiled and arrogant Prince Naveen, her life takes an unexpected twist thanks in part to a sinister sorcerer and a Voodoo spell. With the beautifully illustrated Learn to Draw Disney's The Princess and the Frog, aspiring artists can now learn to draw all of the story's characters, including Ray, the lovesick Cajun firefly; Louis, the jazz-singing alligator; and a pair of jinxed frogs. And with its exquisitely illustrated step-by-step drawing instructions, this 32-page book is as colorful as a Bourbon Street Mardi Gras celebration.
