装帧:

isbn:9781592535668

She explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. "The Illustrated Guide to Holistic Cat Care" also includes a complete bibliography and a list of suppliers of holistic remedies and

services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.
