Wine guides are designed to ease our anxiety at the wine shop, but with their complicated scoring methods and elaborate tasting notes, some can make buying a great bottle an even more daunting task. Enter acknowledged wine expert Andrea Robinson, whose excellent taste has made her a go-to resource for every lover of wine. In the latest edition of her best-selling guide, Andrea introduces wine buyers to over 800 bottles, offering user-friendly tasting reviews and scores as well as tips on food pairings. With an eye for value, this guide includes only those wines that offer excellent quality for the price, and Andrea’s down to earth approach to wine ensures that this book will be a boon to connoisseurs and novice wine-lovers alike.
