Fall in love. Get married. Have children. For most couples, marriage and children go hand in hand. And yet, the number of people choosing childlessness is on the rise. These are the childless by choicepeople who have actively decided not to have childrenrather than the childless by circumstance. In Two Is Enough, Laura S. Scott explores the assumptions surrounding childrearing, and explores the reasons many people are choosing to forgo this experience. Scott, founder of the Childless by Choice Project, examines the personal stories of people who have faced this decision and explores the growing trend of childlessness. Scott’ s expert knowledge and analysis offer a picture of the childless by choicewho they are, why they’ ve chosen to remain childless, and how they’ ve had these conversations with loved ones. Honest and unapologetic, Two Is Enough recognizes the challenges of being childless in today’ s society and offers suggestions on how that same society can change to make room for the childless and the childfree.

评论

更多的是从两个人的视角，作者设计了问卷调查，采访了171位主动选择不要孩子的人，读起来像是一本社会学学术文章，有时会感到一点枯燥，但是整体而言基本上涉及到了许多方面，解释了childfree人群的动机，被污名化，以及在生育主义社会的处境，资料翔实，态度诚恳，不错。
