After years of teaching metaphysical principles all over the world through her seminars, books, church, and international television ministry, Terry Cole-Whittaker realized that there was something extremely important missing from her teachings. Divine discontent led her on an amazing spiritual journey that eventually yielded all that had been missing plus the sacred wisdom whereby everyone can enjoy the benefits of ever-increasing bliss, prosperity, and love. Terry shares this most empowering knowledge, the knowledge of who we really are — perfect souls possessing godlike powers and qualities.
