What exactly is The Tight Trousers Club? Where do you buy children bargain prices? How do you survive a father who buries you in the garden whenever you misbehave? And whom do you contact when your wife to shrink? None of these questions are answered in My Extraordinary Life and Death, though what do you expect if the author is dead? A roller coaster of madness and surreal comedy awaits the reader brave enough to open the pages of this truly remarkable book. Based on a false story.
