In a radically changing economy, organizations must foster creative vigilance and fearless innovation, where everyone is empowered to contribute their best. A champion of leaders for years, M. C. Wilson, Ph.D., now shares her time-tested method for tapping the leader in all of us. This work reads like an evening's retreat for leaders ready to revitalize an organization and achieve long-term stability and unrivaled success for anyone brave enough to take their own self-mastery to a new level. With Wilson's program, personal integrity is the core for integrating a rich diversity of talent and energy and creating a business culture of continuous transformation.
