From Banksy to Blek le Rat, Os Gemeos to Mode2, graffiti is no longer just vandalism, it has become an urban art form and a unique form of expression. In "Graffiti Planet 2" Ket brings together more jaw-dropping examples of incredible graffiti from talented artists worldwide, which transform and enrich the urban landscape. Featuring one hundred glossy images and an introduction by Ket, the New York-based graffiti artist, "Graffiti Planet 2" is great gift for anyone who appreciates this modern art form. It showcases work by: Rosy - Switzerland; Os Gemeos - Brazil; Banksy - London; Side, Bye and Date - Denmark; and, Atome - Australia.
