Designed to help human resource managers and immigration lawyers navigate complicated immigration laws and requirements, this handbook demystifies an array

of statutes and regulations in a simple and straightforward question-and-answer format that includes flowcharts, illustrations, checklists, and sample documents. Complex state and federal laws--such as the Immigration Reform and Control Act (IRCA) of 1986--are discussed in detail with information on new procedures and requirements, including the Social Security Administration's no-match rule and the Department of Homeland Security's e-verify system.
