This volume and its companion, "Interiors" (ISBN 9781864703283), showcase the work of Studios Architecture, an international design practice with offices in the USA and Europe. In its 20 years of practice, Studios has amassed a portfolio of more than 2000 built works, in all sectors and a in a variety of sizes and complexity. Studios is known for its bold, innovative approach to commercial, academic, civic and government architecture projects around the world. Its interiors projects include office spaces, theatres, restaurants, retail stores and showrooms, and fitness centres and spas. The same level of rigorous design and technical expertise is evident in its interior design

projects as its architectural projects. Projects featured in this volume include higher education, health and fitness, government and commercial buildings.
