Fox woke up. Slipped out of his lair. Looked. Listened. Sniffed. There was something in the air! Usually Fox sleeps in the day and hunts alone at night, but today something strange is happening. Two by two, different animals pass by - mice and tortoises, leopards, wolves, and birds. Fox decides to follow along on this mysterious journey. It leads to a boat resting on a dusty plain - and to someone Fox never expected. A beautiful retelling of the story of Noah's Ark, sure to please.
