Baffled by the stock market? Concerned about the rollercoaster real estate market? Looking to build a portfolio that rakes in profits in any economy? With "The Everything Investing Book, 3rd Edition", readers will learn to successfully navigate the financial markets with confidence and ease...and watch their portfolios grow. Completely updated to include the best ways to profit in a rocky economy, this easy-to-follow guide shows readers how to build - and hold on to - personal wealth. "The Everything Investing Book, 3rd Edition" is a comprehensive guide, covering everything from the surest ways to a worry-free financial future to the hottest ways to reap earnings right now. Written by a seasoned professional, this new expanded and revised edition is all the reader needs to start on the path to profits and success! It features strategies to knock out debt and set realistic investment goals; tips for tracking the reader's investments; how to choose the right stocks, funds, and bonds for the reader's portfolio; a new chapter on exchange-traded funds (ETFs), and the latest information on green investing.
