Last night, while I lay thinking here,
Some Whatifs crawled inside my ear

And pranced and partied all night long

And sang their same old Whatif song:

Whatif I flunk that test?

Whatif green hair grows on my chest?

Whatif nobody likes me?

Whatif a bolt of lightning strikes me? . . . Here in the attic of Shel Silverstein you will find Backward Bill, Sour Face Ann, the Meehoo With an Exactlywatt, and the Polar Bear in the Frigidaire. You will talk with the Broiled Face, and find out what happens when someone steals your knees, you get caught by the Quick-Digesting Gink, a mountain snores, and they've put a brassiere on the camel. With 12 never-before-published poems, here is a special edition of this beloved poetry collection, from the creator of Where the Sidewalk ends and Falling Up .
