Alfredas Ultimate Play-Along series gives you everything you need to jam with your favorite songs. This book includes keyboard music notation and lyrics to nine Pink

Floyd classics. There are two versions of every song on the included CDs: a full-performance track with an amazing sound-alike recording, and a professional accompaniment track so you can play along. When you use the CDs in your Mac or Windows-based computer, the TNT (Tone aNa Tempo) software lets you easily loop sections for practice, change the key, slow tracks down or speed them up without changing the pitch, and switch back and forth between the full-performance and play-along tracks. Titles: Another Brick in the Wall (Part 2) * Comfortably Numb * The Fletcher Memorial Home * Have a Cigar * Money * See Emily Play * Time * Wish You Were Here * Young Lust.
