Nessa Joanne Mulholland is about to become a big sister. Her movie-star stepmother, Holly, is very pregnant with twins when suddenly her parents decide they need to get away from it all. Within hours, Nessa, her dad, Holly, her best friend Alexa, and her tag-along cousin Nat are on a private jet that is headed for some rest and relaxation, Hawaiian-style. But once the group arrives, the penthouse apartment they've booked is suddenly unavailable, Holly's blood pressure skyrockets, and Nat goes beach-boy crazy. Now Nessa is stuck on an island and it's all spiraling out of control
