Whether one has a difficult dog or a charm-school puppy, part of the fun is how much a pup wants to play. With "Knack Dog Tricks" in hand, anyone can teach a dog a new set of tricks. Featuring 450 step-by-step, full-color photos, the book first establishes training basics, and then shows how to enhance core training sessions with classic tricks such as "shake hands" and "roll over." And it covers advanced obedience games; agility training; jumping, retrieving, and digging tricks; flashy frisbee tricks--and useful tricks such as finding the remote, retrieving the newspaper, and cornering the cat.
