The much anticipated third edition of Boone and Crockett Club's Records of North American Elk and Mule Deer has been 12 years in the making. This greatly expanded edition includes over 6,000 detailed listings of trophy elk and mule deer taken under Fair Chase conditions in North American. As a testament to the dedicated work of conservation organizations, wildlife agencies and sportsmen, this new edition features nearly 60 new state and provincial records for typical and non-typical mule deer, Columbia blacktail deer, Sitka blacktail deer and American elk, plus Roosevelt's and tule elk. In addition to the state-by-state listings readers will also enjoy: Hunting tips and anecdotes from renowned outdoor personalities Jim Zumbo and Craig Boddington. Chapters that breakdown the current trophy data providing hunters with the latest in trophy-quality destination information. Updates on the success of species recovery programs provided by the Rocky Mountain Elk Foundation and the Mule Deer Foundation. Portrait photographs for all the state/provincial records, plus dozens of field photos./LI/UL
