Those who wish to stay alive in battle must read and heed Murphy's Laws of Combat. Hundreds upon hundreds of tongue-in-cheek rules, axioms, principles, and laws for American Warriors. Separate chapters for Infantry and Aviation laws. Special laws for for unfortunate warriors who ride or fly in helicopters. Off duty, identify pitiful people who have contracted Politically Correct Disease. Learn how to avoid all socialists, communists, and liberals. Study the warrior's rules of sex and seduction, plus much more. In the final 100 pages, take a serious look at the proud heritatge of the U.S. Armed Forces. Murphy's Laws of Combat is the ultimate and timeless sourcebook for American Warriors.
