"The good news is: " He's tall, dark, and handsome. "The bad news is: " He's short-tempered, a bit hairy, and has a tendency to howl at the full moon. . . . Which makes bringing him home to meet mom and dad a bit difficult. How do you expect him to meet the family when he's shedding on the furniture and sharpening his nails? Will he have more in common with the family dog than you? Will he leave you for a hairy hottie? No worries?in this guide, you will learn everything you need to know about these wild boys, including: How to spot a werewolf What to do when he changes shape How to avoid his animalistic mood swings How to destroy the savage beast (before he destroys you!) The best?and worst?werewolf books and films With this book, all ladies in love with lycanthropes learn how to tame their creatures of the night!
