What happens "after" "happily ever after"? Alice Hirsh is about to find out... Alice, a former New Yorker who thought she'd never feel at home in the bizarre world of the San Fernando Valley, was adapting, raising her 5-year-old daughter while trying to keep her job and make her new house a home. When her attorney husband lands a trophy client - box-office queen Rose Maris - things begin to look up. Then Alex starts working late - a lot. He crunches his paunch into a six-pack and trades his Gap ensembles for Armani everything. Soon, Rose and Alex's affair blazes in the tabloids and Alice is plunged into trash-gossip hell. Her life crumbles around her as she navigates her newly single self through suburban LA --a place rife with porn stars, psycho soccer moms and nutty neighbors. Is there a chance to wrest Alex from the Sexiest Woman Alive? And if so... would Alice want him back? And what about George--her college sweetheart? Or Johnny, a walking charm-bomb paparazzo? As Alice inventories the rubble of her life, she desperately searches for her bearings and is forced to ask herself what she really wants from life, love and herself.
