On a summer in 1942, Anne Frank and her family went into hiding from the Nazis. Until the day they arrested her, more than two years later, she kept a diary. ANNE FRANK is the indispensable visual guide to her tragic, but inspiring story. Produced in association with The Anne Frank House and filled with never-before-published snapshots, school pictures, and photos of the diary and the Secret Annex, this elegantly designed album is both a stand-alone introduction to Anne's life and a photographic companion to a classic of Holocaust literature.
