著者:Janis Bell

出版者:W. W. Norton & Company

出版时间:2009-8-25

装帧:Paperback

isbn:9780393337150

An extraordinary handbook: with clarity and humor, it tells the story that even good writers have been longing to hear. This is not a comprehensive tracking of every nut and bolt that ever came loose within an English sentence; it is a focused discussion of the narrow range of problems that American writers typically face. From confusion over grammar to tangles with usage, to questions about punctuation, Janis Bell addresses them with transparency and grace. She discusses the issues, gives plenty of examples, provides quizzes and answers, and makes sure that readers are engaged throughout.

评论

还是挺好的英文文法和写作的书籍的。文法这种东西，真的不是所谓讲一个公式，然后举一两个例子，然后就理解了的，通常，句式的变化和文法的细节，绝不是通过一两册教科书就可以习得的。不过即便如此，时时回过头来复习一些易错的文法，提醒自己大

概也很有必要的
