Corporations: Examples & Explanations is a practical and straightforward guide that has won enduring popularity by demystifying corporate law for students with no business background. Through clear introductions and visual aids, students are able to grasp the rules of corporate law and apply them in context, using the examples. Students struggling to understand corporate law will get more out of their casebook assignments and classroom experience if you steer them toward the help they need. Alan R. Palmiter's Corporations: Examples & Explanations is the leading study guide in this area an authoritative, timely, and student-friendly aid to a more complete understanding of basic coverage, now in its Sixth Edition.
