In this dark, thrilling fairy tale, it is the wolf who saves the girl. Fell, the dark-furred twin brother of Larka, the heroine of "The Sight," must face life without his sister or the rest of his loving pack. He's a lone wolf now, a "kerl," an outcast from his kind who shares his sister's fatal gift for seeing the future and the thoughts of others. This gift leads him to befriend a young girl, also an outcast from her people. They have a shared destiny: to free the land from a tyrannical ruler who would enslave man and animal alike. The prequel to this book, David Clement-Davies's bestselling animal fantasy "The Sight," is set among the wolves of Transylvania. This dark epic thrilled readers and critics alike, who said, "This sprawling, ambitious novel has it all: action, adventure, apocalyptic battles" ("Children's Literature"), and called it "rich, complex, and credible" ("VOYA") and "full bodied and] lyrically told" ("Booklist," starred review).
