Scott Beck's lovable little monsters are having a sleepover in this sweet, funny sequel to "Happy Birthday, Monster!" The little monsters are having a party, but this time it's not for a birthday - it's a slumber party! In their own quirky monster-style, the friends play Simon Says, read fortunes, sing songs, have snacks and, of course, stay up past their bedtime! Small children in particular will enjoy laughing along to the all-too-familiar antics of these little monsters. Told in brief text and panels that highlight the physical humor in each scene, this is the perfect book to share with a young child before his or her first slumber party.
