Inspired by the idea that one of the greatest gifts one generation can give to another is the wisdom it has gained from experience, award-winning photographer and filmmaker Andrew Zuckerman has captured the voices, physical presence, and written word of iconic over-65-year olds to create profound, honest, and truly revealing portraits. Based on his acclaimed large-format book "Wisdom," published in Fall 2008, these new, well-priced smaller books and films - included here on DVDs - provide an extraordinary legacy for the generations that follow and timeless portraits of the common themes that unite us all.

"Ideas" features the thoughts and photographs of such legends as Chuck Close, Dave Brubeck, Jane Goodall, Kris Kristofferson, Kurt Masur, Ravi Shankar, and Robert Redford, among others. "Life" features the thoughts and photographs of such legends as Andrew Wyeth, Billie Jean King, Burt Bacharach, Buzz Aldrin, and Frank Gehry, among others. "Love" features the thoughts and photographs of such legends as Edward M. Kennedy, Jacques Pepin, Nadine Gordimer, Vanessa Redgrave, and Desmond Tutu, among others. "Peace" features the thoughts and photographs of such legends as Madeleine Albright, Henry Kissinger, Nelson Mandela, Vaclav Havel, Willie Nelson, and Zbigniew Brzezinski, among others.
