Along These Lines is designed to better prepare developmental writing students for their next writing courses by offering constant reinforcement of the writing process. Filled with exercises and activities both individual and collaborative, this text involves students in the process of learning to write through reading, listening, practicing, and experiencing. The text begins with the principles of grammar and progresses to the writing process for a paragraph. It includes a chapter on Writing from Reading, provides tips for writing answers to essay exam questions, and has topical, thought-provoking readings to engage students' interest.
