This is a packaged access code providing full access to the online flash cards. As a late stage exam prep tool, the CompTIA Network+ Cert Flash Cards Online provide a concise review of all objectives on the Network+ certification. This learning format presents a unique approach that complements other self-study formats, such as books and practice tests. CompTIA Network+ Cert Flash Cards Online consists of a custom flash card application loaded with 300 total questions that test your skills and enhance retention of exam topics. Questions are organized by exam objective, allowing you to focus your study on selected topics. You can choose to view cards in order or at random, and you can create custom sets from the entire bank of cards. Once the bank is chosen, you view questions, test yourself, and then view answers. The engine provides you with the ability to mark each question as correct or incorrect and provides a detailed score report by category at the end of the exam. You can even write notes on each question and then get a printable PDF of all your notes aligned to the relevant questions and their correct responses. CompTIA Network+ Cert Flash Cards Online is available in both desktop and mobile device formats, enabling you to test yourself at home, work, or on the go. These flash cards enable you to get the most important information at a glance, helping you focus your study on areas of weakness and to enhance memory retention of essential exam concept.
