Bells jingle, sleds dash through the snow, trees are topped with sparkling stars, and children everywhere dream of candy canes and presents. But the best gift of all--the most magical gift of the season--is when we spend Christmas with those we love. Once again, this New York Times-bestselling author and artist has created a special, beautiful

book that families will want to share year after year. (And readers will want to look for the Spirit of Christmas image that Nancy has hidden on every page )
