Everyone in New Avalon has a fairy. Though invisible, a personal fairy is vital to success. It might determine whether you pass a math class or find the perfect outfit. But all fourteen-year-old Charlie can do is find parking spaces--and she doesn't even drive. At first, teaming up with Fiorenza (who has an all-the-boys-like-you fairy) seems like a great idea. But when Charlie unexpectedly gets her heart's desire, she'll have to resort to extraordinary measures to ditch her fairy.
