People may think that marital bliss means money doesn't matter, but in today's troubled economic times, that's simply false hope. And with layoffs galore and debt

mounting, financial stress is through the roof. Think keeping afloat and affectionate is impossible? Think again. This inspiring, action-oriented guide helps young women in committed relationships understand and manage their money matters. Complete with charts, graphs, case studies, and tip-based advice, this succinct, straightforward guide speaks to worried women in the same way that made "On My Own Two Feet" a mega-success. This expert author team is here to help once more. Clearing up confusion, stating the truth, developing a plan - and now, helping create a happy home.
