The Customer Signs Your Paycheck reveals the secret to ensuring customer contentment during every interaction. Inside, Frank Cooper examines the elements at the heart of quality customer service, which begin with self-awareness and confidence. You'll learn: The 10 commandments for customer relations Eight habits to help you get ahead The easiest way to handle customer complaints A simple method for remembering names You'll immediately take note of dramatic changes in the way you deal with difficult personalities, customer complaints, and other challenges that come with the territory. Why drive customers to the competition? It really is easy to provide superb service, even when dealing with today's highly empowered and demanding customer.
