著者:Oda, Hiroshi

出版者:Oxford UP

出版时间:2009

装帧:

isbn:9780199232185

This book presents the only English language, up-to-date, and comprehensive reference to Japanese law. It covers the basis of the Japanese legal system, the civil code, business related laws and other laws including criminal law and procedure, and foreign relations law. This breadth of coverage makes the book an essential reference work for all who have an interest in Japanese law.

Since the last edition in 1999, Japanese law has undergone major reform all of which is reflected in the new text. In particular, the new edition covers the new company law and the Financial Products Trading Law, both of which have been completely overhauled.
