The Concise Oxford English Dictionary is a world-famous bestseller, chosen by

thousands of users for its up-to-date and authoritative coverage of the English language. This edition provides all the content of the print edition in a convenient and easy-to-use CD-ROM. It contains over 240,000 words, phrases, and definitions, providing meanings for everyday words including scientific and technical vocabulary, as well as English from around the world. This revised edition of the dictionary has been updated with hundreds of new words and phrases based on research from the Oxford Reading Programme and the Oxford English Corpus. The CD-ROM version of the dictionary offers full-text search functionality, instant look-up from Windows(r) documents, including email and the internet, and high-quality spoken pronunciations for thousands of words, making it ideal for family use, as well as for home, work, and school use. The CD-ROM is also Mac compatible for the first time, due to brand new software. The Concise Oxford English Dictionary on CD-ROM is an ideal reference tool in a convenient format.
