This powerful collection of quotes and writings from some of today's most prominent women including Oprah Winfrey, Jennifer Aniston, Nicole Kidman, Maya Angelou, Maria Shriver, and many more reminds women everywhere that they have the inner strength to overcome any hardship they may be faced with. Whether the reader is dealing with illness, injury, abuse, heartbreak, loss, or any other difficult situation, the inspiring insights in this book provide comfort, encouragement, and helpful suggestions for not only surviving challenging times, but emerging from them stronger than ever.
