This updated edition of Birnbaum's Disneyland Resort, the most respected and well-known name in Disney guides, takes readers through Walt Disney's first theme park with ease and flair. Since our guide is the only guide that's official, this book includes the most accurate and current information on prices and attractions. Here are just a few of the exciting new features of this year's guide: There's big doin's at Disney's California Adventure these days. We'll deliver the scoop on all the new shows and attractions that are headed its way. Disney's Grand Californian has undergone a growth spurt. Check here to see what the new neighborhood of (Disney Vacation Club) villas has to offer. And as always, we'll include current coverage of Disneyland's beloved attractions and a peek at what's to come.

Our guide is also the only one allowed to feature Disney characters. And Birnbaum's Disneyland Resort is the most comprehensive guidebook, offering complete information on the Magic Kingdom, Disney's California Adventure, and Downtown Disney, as well as details about Anaheim area attractions, things to do in Los Angeles, and special driving routes around Southern California. This is the only guide to Disneyland that readers need, entirely updated every year.
