Once guests have planned their trips (with help from the classic Birnbaum Guide), they are encouraged to take this smaller book along with them on their Disney Vacation. Easily slipped into a pocket or a purse, the guide works as a handy, on-site reference for Walt Disney World theme parks, water parks, golf excursions, biking, boating, and more! Featuring a day-planner, removable park itineraries, and a secure pocket to keep your passes, this recent addition to the Birnbaum series is a must-have for WDW travelers.

This year's guide contains the pocket-sized lowdown on all the new shows, parades, and attractions that Walt Disney World will welcome in 2010; dozens and dozens of "Hidden Mickeys" to hunt for in the theme parks; and time-tested daily park schedules—conveniently perforated so guests can pop 'em into a pocket.
