In Birnbaum's Walt Disney World Without Kids, the most respected and well-known name in travel guides takes adult readers through the world's most popular tourist attraction. Because our guide is the only guide that's official, this book includes the most accurate information on prices and attractions. None of the other guides have access to the information that our authors do. This book focuses on the resorts, attractions, restaurants, and special places that adults will most enjoy and probably never realized existed.

This year's edition is packed with information about Walt Disney World's newest shows and attractions that appeal to the young-at-heart; updated tips and suggestions for Disney After Dark--including the newest restaurants and lounges; and expanded coverage of the most recent additions to the Disney Vacation Club: Kadani Village at Animal Kingdom Lodge and the Bay Lake Tower at Contemporary resort. We'll also include the low-down on Downtown Disney's newest shops and restaurants. Check here for details on each and every one!
