isbn:9780313355462

This title summarizes each of Tan's novels, offering a plot summary and a discussion of themes, settings, and characters. It provides questions that can be used to generate classroom and book club discussion. A tour-de-force in Asian American writing, Amy Tan has created works that are essential to high school and undergraduate literature classes and are often book club selections. "Reading Amy Tan" is a handy resource that offers both groups plot summaries of five of Tan's novels, as well as character and thematic analysis. The handbook also provides an overview of Tan's life and discusses how she emerged onto the scene as a novelist. Tan's typical themes, including Asian American issues and mother-daughter relationships, are examined in relation to today's current events and pop culture. Readers will also discover how and where they can find Tan on the Internet, and how the media has received her works. The 'What Do I Read Next' chapter will help readers find other authors and works that deal with similar subjects. This handbook is an indispensable tool for both high school and public libraries.
