Alex Osborn wrote the following: 'Emotional drive is self-starting and largely automatic,

whether based on hunger, fear, love, or ambition. ' 'For all of us, a good rule is always to encourage ideas--to encourage speaking up as well as thinking up.' 'Whatever creative success I gained was due to my belief that creative power can be stepped up by effort, and that there are ways in which we can guide our creative thinking. ' 'If we set aside a defined period for creative thinking we can best lure the muse.' 'With enough creative effort, each of us could find the ideas that would smooth out rocky roads!'
